Gentlemen:

Reference is made to your letters of 19 and 20 August 1959, concerning property disposition under the subject contract.

The one (1) Radar Pulse Generator RDJ-1 to which you refer in your 19 August letter was misnumbered. We did supply an RDJ-1 Pulse Analyzer under RD-91. The accountability of this item was later transferred to Task 2 of another contract. It was returned and accepted by us.

We have no record of receiving the L-Band Feed Horn, so it appears that compensatory restitution will have to be negotiated. We believe that an offer of \$50 is in order.

We would appreciate hearing from you soon regarding this matter so that this case may be closed.

Very truly yours,
